

Anti-GluClalpha3A (glutamate-gated chloride channel alpha3A subunit) Polyclonal Antibody

Category: Polyclonal Antibody

Catalog #: AB1I145

Species Reactivity: *Dirofilaria immitis* (dog heartworm nematode), *Brugia malayi*

Immunogen/Specificity:

Polyclonal antibody produced in rabbits immunizing with a synthetic peptide corresponding to C-terminal residues of *Dirofilaria immitis* GluClalpha3A (glutamate-gated chloride channel alpha3A subunit)

Description: GluClalpha3A (glutamate-gated chloride channel alpha3A subunit) includes the neurotransmitter-gated ion-channel ligand binding domain.
