

## **Anti-GluR(Metabotropic Glutamate Receptor) Polyclonal Antibody**

**Category:** Polyclonal Antibody

**Catalog #:** AB2F134

**Species Reactivity:** Schistosoma mansoni

**Immunogen/Specificity:**

Polyclonal antibody produced in rabbits immunizing with a synthetic peptide corresponding to N-terminal residues of blood fluke Schistosoma mansoni GluR(Metabotropic Glutamate Receptor)

**Description:** Metabotropic Glutamate Receptor contains a Periplasmic\_Binding\_Protein\_Type\_1 region, which belongs to Type 1 periplasmic binding fold superfamily. This model and hierarchy represent the ligand binding domains of the LacI family of transcriptional regulators, periplasmic binding proteins of the ABC-type transport systems.
